Academic Project

MSc Dissertation | Dublin City University
Strategic Responses to Retail Disruptions: Integration of Circular Economy and Industry 4.0 in Retail Supply Chains

- Conducted an empirical, mixed-methods study on global retail supply chains, applying quantitative KPI analysis to evaluate how Circular Economy and Industry 4.0 practices enhance resilience.
- Applied mixed-methods research (quantitative KPI analysis & qualitative expert interviews) to assess disruption impacts and digital integration challenges.
- Designed a strategic implementation roadmap emphasising supplier collaboration, reverse logistics, and data-driven risk monitoring, and frameworks and dashboards linking ESG metrics with operational KPIs to support sustainable decision-making.

Work Experience

Shift Lead (Inventory & Compliance) | Marks and Spencer *Dublin, Ireland | Dec 2025 - Present*

- Conducted structured **stock audits and compliance checks (gap scanning)** across a store carrying approximately 7,500 SKUs, driving **root-cause investigation** and corrective action.
- Improved **stock file accuracy from 85% to 91 - 93%** through consistent data reconciliation and process discipline, directly increasing product availability.
- Analysed sell-through and **demand data** to inform **replenishment decisions, reducing stockout instances and improving shelf availability**.
- Supervised a team executing daily operational and compliance processes, while liaising with internal **supply and logistics teams** to resolve fulfilment issues.

Operations Assistant | Tesco Ireland *Dublin, Ireland | Feb 2025 - Dec 2025*

- Handled 6 - 15 deliveries and stock checks per week, monitoring stock levels and reconciling inventory across storage areas.
- Applied structured process discipline (SOP adherence, FIFO stock rotation) to support quality, consistency, and audit-readiness.
- Processed incoming deliveries and resolved discrepancies, supporting efficient warehouse-to-shelf stock movement.

Voluntary Leadership Experience

Logistics Coordinator | Centre for Innovation and Entrepreneurship*Pune, India | Aug 2022 – Jan 2024*

- Led scheduling and workload coordination for a cross-functional team of 15, improving operational efficiency by 20%.
- Sourced and negotiated with external vendors, achieving a 10% reduction in procurement costs through competitive tendering.
- Negotiated supplier terms and managed procurement timelines to ensure zero-shortage delivery for 200+ attendees per event.
